## DR.BRADO LIGHT MEAL - RASPBERRY

DR.BRADO TEAM has created a unique product without additional glucose syrup, additives, preservatives and artificial flavors. The product is characterized by a high level of dietary fiber, lyophilized raspberry and fat content derived from nuts. The structure of the product contained 50% roasted muesli (CRUNCHY MUSLI) produced on the basis of oat flakes from whole grains, olive oil, hazelnuts, almonds, coconut flour and honey.

It is intended for all generations. It is ideal for morning and afternoon meals. DR.BRADO LIGHT MEAL after consumption gives a feeling of healthy satiety and increased energy. The irresistible taste was created by the application of the original packaging technology and the synthesis of the highest quality building ingredients. These are the reasons why the DR.BRADO brand is a brand for a new lifestyle.
