

frubert

Exotic | Gourmet | Luxury

European farms to your doorstep while maintaining the premium quality and experience of luxury. This is backed by our willingness to go the extra mile and select the world's finest fruits for our customers. Our fruits are truly a revolution for your taste buds.

We at Frubert take pride in taking care of our customer's health by importing quality fresh and dried fruits. Our brand values relationship with each of our suppliers and customers, built on leap of trust, transparency, and integrity. We maintain quality and taste by closely monitoring a sustainable supply chain solution suitable shipping conditions, drying process and packaging, thus connecting best European produce with rewarding global markets.

The Frubert logo is a stylized, cursive script in a dark green color. It features a large, flowing 'F' that extends into a long, horizontal line, followed by the letters 'r', 'u', 'b', 'e', 'r', 't' in a similar cursive style. The logo is centered below a thin horizontal line that has a small green diamond shape in the middle.

Organic Juices

Organic Blackberry Juice

Be kind to your body with this pure 100% Blackberry juice that is closest to the whole fruit. Made with single fruit along with apple juice used as a natural sweetener this juice is filled with healthy benefits to fuel your everyday life. Blackberries contain anthocyanins, which are natural antioxidants. Blackberries are full of vitamins and minerals like C, K, and manganese which are integral to collagen formation in bones, connective tissue, and blood vessels. Blackberry juice is also recommended for people to control cholesterol and blood sugar levels by slowing the rate of sugar absorption.

Organic Wild Blueberry Juice

Be kind to your body with this pure 100% Wild Blueberry juice that is closest to the whole fruit. Made with single fruit along with apple juice used as a natural sweetener this juice is a healthy and delicious wild blueberry juice produced in Serbia. Each bottle contains carefully selected grade A wild blueberries grown organically which have 45% more healthy antioxidants per serving, and over twice as many as strawberries or blackberries. Wild Blueberries are rich in flavonoids and phenolic compounds which account for high levels of antioxidants and anti-inflammatory properties. Anthocyanins, the phytochemical compounds responsible for the wild blueberry's intense blue color, are powerful antioxidants. Wild Blueberry juice is also recommended for people dealing with high blood pressure, high cholesterol and obesity.

Ingredients:-

100% pure Wild Blueberry juice made from Serbian Wild Blueberries
